

Has your roof had its annual health check?

Catching small issues today can prevent costly claims tomorrow.

RMS is now co-funding preventative Roof Health Checks by qualified roofing professionals.

QUALIFIED PROFESSIONALS ONLY

Inspections must be carried out by an independent, qualified and insured roofing professional.

Volunteers must NOT go on roofs.

WHAT WE REIMBURSE

RMS will contribute to the cost of a professional roof inspection report.

Submit your paid invoice and the roof report to claim.

EASY PROCESS CLEAR GUIDELINES

Follow our existing Co-Funding process.

Read the co-funding brochure for full terms and conditions.
